Lesson format

You can choose between group lesson or individual lesson. In a group we place 2 students for 30 minutes, 3 students for 45 minutes and 4 students 60 minutes. For most students this is a good package to start with. Of course you can choose for individual lessons; this is possible from 20 minutes per week on or 30 minutes every fortnight.

How this extra time is to be used will be decided together with the teacher.
